I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal-court jurisdiction in your case?

III. STATEMENT OF CLAIM

Place(s) of occurrence:

Brooklyn, New York City

Date(s) of occurrence:

11/30/20 - 12/02/20

FACTS:

State here briefly the FACTS that support your case. Describe what happened, how you were harmed, and what each defendant personally did or failed to do that harmed you. Attach additional pages if needed.

The defendants wanted me dead this morning on just to lie on sit down. I awoke very late this morning (7:15am). I try standing up and realised it was very painful doing so. My legs were cramping. I felt like the two hamstrings were taken out. I saw an operation via vision that looked like the hamstrings were taken out too.

I heard someone said "oh quit - die." To get the circulation flowing I kept rubbing my two legs from the pelvic area down for about five to ten minutes. It's like the legs would not allow me to stand.

I started calling on Jesus, Jesus, Jesus then the excruciating pain subsided. At this point I knew

the defendants were watching me from elsewhere. A man came with a long stick-like power washer in his hand and said "I had to leave the nook."

I told him I was packing up my stuff to leave. I also asked him who he worked for? I said if it was not Verizon he could not tell me to leave. He pretended not to hear and did not answer. I saw the lower bottom portion of the outside Verizon wall power-washed - about six inches.

That's the first time anyone ever told me I

INJURIES:

If you were injured as a result of these actions, describe your injuries and what medical treatment, if any, you required and received.

Decrease in vision, memory, hearing, decline health and hygiene. Blurry eyes, temple pain, neck pain, chest pain. Blocked paths to housing + food. Oppression. stalked, monitored. Traumatized. Overwhelm. Exposure to the elements. Swollen ankles. Re-worn dirty clothes, harassed. mental pressure, uncomfortability.

IV. RELIEF

State briefly what money damages or other relief you want the court to order.

I would like to ask the court to bring in the C.F.A, F.B.I and L. James to investigate.

I would like to ask the court to order the defendants restore all what was schindled, and to compensate me for creating hardships, stressors, and

FACT (2)

Any money given to me to harm me physically by anyone who don't say what it is for - I count that null and void too.

had to leave the Verizon nook. I saw the washer worker was sent to bring back my money for a defendant. I heard "Go and bring me some." I also heard him and others said "See how much problems that was - we had to go through."

While the workers were working they used that power washing time to steal. I heard one said "That's where the gas tank is."

My temple area feels like an inflated balloon and it pains badly.

I also saw from vision the worker had to make physical (conscious) contact with me. Hence the reason for the leaving scenario and conscious activation of the device. Everything was done when I slept before (subconsciously).

Evil-doers put me to sleep much longer again with their medicated-"air pressures."

I heard one defendant said "You know I like to put salt in everything"

Someone else answered "Yes! but I don't like it."

I also saw via vision an operation done to terminate pregnancies i.e. tying of the tubes.

I saw a sacrifice. Someone was handing me a bowl of "food."

Null and void. Null and void. These defendant know anything I have done subconsciously is and should be counted null and void. They keep tormenting me in my sleep with all these foolishness.

Defendant's "you" have to give me the food and asked me physically (both) not when I sleep.

As I was physically calling on Jesus this morning someone passed and heard me. I heard them said via vision "She is angry".

FACT (3)

The pain was excruciating - it sounded that way. That person was so right. My body was saying to sit but my mind/brain was saying push on.

My eyes caught hold of a couple workers leaving in a van whilst I was throwing out the cardboard. I kept on. The companies name on the van was Premier Group Inc. I got partial number plates E27.

FACT (4)

Incident time 2:43 pm
 Can # 6493. I physically told
 them leave my son.

I need Adult Protective Services to look into the abuse of my son (born 1990). Duane was brought from Trinidad by the defendants to specifically hurt, harm and financially deplete me. Duane is also being re-shaped, re-programmed (mentally) by the defendants.

Yesterday I saw a dog that looked like a pit bull under the train seat of a defendant. My son was sitting obliquely opposite. I know it is/was a form of fear drilling into my son that was being used. Duane was working (three point contact) with them to financially deplete me.

Here is the kicker. Duane looked suicidal. Why would someone who was just given a million dollars look this way? I gave Duane the million dollars. He was told to "sit down".

It appears to me and also to work for the defendant.

Duane can hire his own workers or retire if he chooses. My son Duane is being forced to do things he never grew up doing. These things are troubling on the mind (his mind). The defendants are mentally pressuring him. The pressure shows on his entire body.

Duane is my son - I know him. In addition Duane was raped recently and continues to be raped by the defendants or defendants friends. I need Duane out from amongst them. I need them to stay away - far away from Duane. It was wrong to bring my son from a foreign country just for the defendants to get even.

I am holding the defendants accountable of altering my sons life and mind and holding him back. Duane should be flying high like an eagle instead he is down below hopping around like a rabbit. This is evil and wickedness to its fullest. It hurts me badly to see my son in such terrible state.

B Who uses dogs in this time to instill fear in people?

FACT (5)

The night before same stealing continued into the early morning hours by the City of New York and N.Y.P.D. H.R.A. had lost a Soup Kitchen through greed. I heard someone said "Now you have your lil' soup kitchen."

I saw money handed.

I awoke early yesterday and saw a man doing something with a plugged in device at the corner by my room (opposite). He went into car and sat down after. I went over the street and got this car number from the car he sat in AD 1360.

NYPD (#5054) was also making three point contact to steal at (7:00am). NYPD wanted to know why I had lifted up their skirt by taking the number licensed. The incidents occurred by Maiden and Waters.

A bunch of MTA employee's turned up right after I got on a Borough Hall platform yesterday. These employees did not give me a lollipop. I am holding, NYPD, City of New and MTA accountable of talking with the intentions of financially deplete me.

In addition the defendants are doing unseen things/craft to kill and harm me. Yesterday my throat was coarse and ~~my~~ vocals dwindling after getting unseen blows from magicians/spiritualist. I knew one of them was a MTA employee at Fulton's Street turnstyle. The other on a wall street platform who looked like a witch.

It appeared to me the air-condition was turned up very high at the Bowling Green Station where I was riding all my orders. Today, I retreated to the opposite end and stood by the 17th berth. I knew the MTA don't want me to stand there.

Yesterday the pursuit was so intense I was struggling to get (35minutes) alone time to read my bible.

FACT (6)

The defendants placed key players to "mark me." They say players I know it is persecution. This persecution has been going on for over five years now. For the records I would never join your evil and dark side.

I am holding the defendants accountable of wasting time to financially deplete me. I have never come across so great foolishness to waste someone's life away as this. Stalking me then handing me banners for an act to follow after representing the penis. Walking behind me and having sex with me behind my back. Doing the same on the train.

How can I get away from a man that sleeps on a high bed?

The presence of/from that defendant is very uncomfortable. His transportation ways are uncommon and fast. I cannot breathe. I need my space to breathe.

I am still homeless and eating from out the garbage most times. At times "bites" are placed in the garbage for me - I know this. My physical condition is decreasing. Still wearing dirty clothes. It's getting colder more unbearable. My anemic condition makes it worse. I am also going through life stages with a pre-existing medical condition.

I am constantly being drugged and sexually assaulted in all the "rooms".

There is no order in New York City presently only chaos. Most defendants were told to do what 'yuh' want.

The defendants have done exactly that. My head feels blown up and eyes very, very blurry presently. My stomach feels weak and legs thin out (skinner).

I am holding the defendants accountable of taking and holding my son Duane a prisoner and force labor.

FACT (2)

I have never seen people acted so greedy and
killed wild animals for money.
They have gone insane women and men.
The greed and self-centred drive is out of this
world. It's like a force have come over them.
A very evil and wicked force.

RELIEF (2)

pain and suffering.

I would like to ask the court/committee to hand over all keys to my Archbishop and all new compensations. My children needs to get into their house.

I would like to ask the court/^{committee} to compensate Dwane for shock, traumatization, heartbreak, pain and suffering, mental distress and emotional stress. I am holding them accountable of taking him prisoner and rape/sexual molestation. Those men were just the size of giants I saw him with.

I would like to ask the committee/adult to have all manipulators stay away from Dwane and the rest of the family.

The entire system is upside down (not the way) it is suppose to be. I heard someone said "I am difficult" It is not me. Jesus said "He knows what the problems are - He can fix them."
